

HEAVY DUTY HAND CLEANERS

Tufanega[®] Waterless

Hand cleaner for use without water

Features:

Versatile - contains non-ionic surfactants not affected by hard water so can be used in many situations

Special formula - removes oil, grease and grime

Effective - can be used with or without water

Ideal - for situations where no running water is available

Efficient - formulated to liquefy at body temperature, making it easy to rub into soiled hands

Refined Aliphatic Solvents - good grease cutting properties which remove all oil based soilings

Caring - contains lanolin to prevent skin drying

Pack Sizes:
